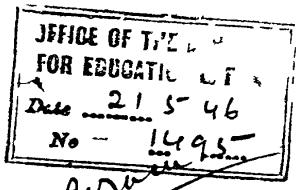
Rec'd



Sir,

We wish to bring to your kind notice that the above Mahasabha was started in September 1945 with the main object of creating facilities for the education and the well-being of the students belonging to the -- Uluchukamme community forming a large section ~~fhx~~ of the Brahmin population in and out of the State --- With the object of providing boarding and lodging -- facilities, we applied in January 1946 to the Chairman of the Bangalore City Improvement Trust Board for the free grant of a suitable site for the construction of a Hostel building Our benign Government have been showing large concessions to the various communities in furtherance of similar objects and we are sure that we will be shown generous and sympathetic consideration to our appeal for help

We expected that a site would be granted in the Kumara Park Extension adjacent to the one recently granted for the construction of a Hostel building for the students of the Badaganadu community We now -- learn that no site is available in that extension --

We have therefore selected four sites Nos 346,347, 348 and 349, each measuring 100'-0" x 50'-0", in the Wilson's Garden Extension We intend to put up two residential blocks together with a kitchen block. For the present, we propose to construct one ------ residential block and the kitchen block and later on take up the construction of the other For the time being, provision will be made for accommodating ---- 50 boarders

We have now at our credit Rs 10,000/- and another sum of Rs 10,000/- has been promised and is -- being collected in instalments Earnest efforts are being made to collect more funds In addition, ---- promises have been made by philanthropic gentlemen to bear the cost of constructing rooms in their names

In these circumstances, we request that you will be kindly pleased to sanction the free grant of the four sites mentioned above A copy of the ---- resolution of the Executive Committee of the Mahasabha passed at their meeting held on the 12th May 1946 is -- herewith appended

Soliciting the favour of very early orders,

We beg to remain,
